### 5. Update from Admin:

- mixed reviews on drum workshop
- thanks for book fair champions. Less profits than in the past. Possibly change timeline with teacher reporting system. Possibly the fall.
  
- Save the Date: Climate soirée, Thursday May 24th. Each class will be doing something on the environment.
- Welcome to teacher Flemming, Pascal, Marc G.

- Big One at 2, May 3rd, Practicing to release some students. Asking 20 parents to participate in this. There is a form to release child that each parent will fill out and have. IT indicates who can pick up your child in the event of an emergency.
- Track and Field coming along
- Quebec students hosting in May
- Parent Student conferences

#### 6. Update on Technology

plan to purchase 2 laptops, 2 teachers will test them, we will buy 2 different kinds of computers and test. Then a meeting will happen in May and make decisions then. Goal is everything purchased by June so its ready to go for next year. Laptops to replace desktops. Top up the laptop carts.

#### 7. Update on Noon Hour Programs:

- We have found parents who will do the NHP for 2018-2019
- We need to renew the software for hot lunch.

#### 6. Upcoming dates:

- Next Pac meeting May 8th
- UR Strong - sold out

#### 7. Reporting system feedback workshop

- its about suggestions moving forward with the new reporting systems.

- discussions around what the new curriculum means and how many parents are very confused about it.
- Pilot program to continue next year.
- There was questions on each table and the parents went around and answered them as a group. Feedback will be compiled and shared with VSB.
